Section 1 –Background

The Mississippi Department of Rehabilitation Services (hereinafter “MDRS,” “Agency” or “State”) is a state agency that provides resources to help Mississippians with disabilities find new careers, live more independently, overcome obstacles, and face new challenges. It is the mission of the Mississippi Department of Rehabilitation Services (MDRS), to provide appropriate and comprehensive services to Mississippians with disabilities in a timely and effective manner. Programs and services assist individuals with disabilities to gain employment, retain employment and to live more independently.

Disability Determination Services (DDS) is an agency in the Mississippi Department of Rehabilitation Services (MDRS) which operates in a partnership with the Social Security Administration (SSA) to make disability decisions on Social Security and Supplemental Security Income disability claims. This office handles claims from all 23 SSA offices in Mississippi. More information about DDS can be found on the MDRS website at <http://www.mdrs.ms.gov/Disability/Pages/default.aspx>.

Section 2 – Purpose

MDRS is soliciting applications from experienced professional physicians and psychologists for the purpose of establishing a list of qualified consulting medical and psychological specialists for its Office of Disability Determination Services. The Consulting Specialists will carry out the prescribed procedures relating to a part of the documentation requirements necessary in completing disability determinations on applications for Social Security Disability Benefits.

Section 4 – Minimum Qualifications

A Medical Consultant (MC) or Psychological Consultant (PC) is a member of the DDS or SSA team that makes disability determinations. The MC and PC provide expertise in evaluating medical issues.

- An MC must be an acceptable medical source identified in the first or third through fifth options below. MCs who are not physicians are limited to evaluating the impairments for which they are qualified. The MC must meet any appropriate qualifications for his or her specialty. Acceptable medical sources are:
 - Licensed physicians (medical or osteopathic doctors);
 - Licensed or certified psychologists. Included are school psychologists, or other licensed or certified individuals with other titles who perform the same function as a school psychologist in a school setting, for purposes of establishing intellectual disability, learning disabilities, and

- borderline intellectual functioning only (see DI 22505.003C on licensed or certified individuals who perform the same function as school psychologists);
 - Licensed optometrists, for purposes of establishing visual disorders (except, in the U.S. Virgin Islands, licensed optometrists, for the measurement of visual acuity and visual fields only);
 - Licensed podiatrists, for purposes of establishing impairments of the foot, or foot and ankle, depending on whether the State in which the podiatrist practices permits the practice of podiatry on the foot only, or the foot and ankle; and
 - Qualified speech-language pathologists (SLPs), for purposes of establishing speech or language impairments only. For this source, “qualified” means that the SLP must be licensed by the State professional licensing agency, or be fully certified by the State education agency in the State in which he or she practices, or hold a Certificate of Clinical Competence from the American Speech-Language-Hearing Association.
- The PC is a psychologist with the same responsibilities as an MC but the PC only evaluates mental impairments in cases where there is evidence of a mental impairment. The PC must be a qualified psychologist. For disability program purposes, a psychologist is qualified if he or she:
 - is licensed or certified as a psychologist at the independent practice level of psychology by the State in which he or she practices;
 - possesses a doctorate degree in psychology from a program in clinical psychology of an educational institution accredited by an organization recognized by the Council for Higher Education Accreditation, formerly the Council on Post-Secondary Accreditation; or
 - is in a national register of health service providers in psychology which the Commissioner of Social Security deems appropriate;
 - possesses two years of supervised clinical experience as a psychologist, at least one year of which is post masters degree; and
 - Qualified speech-language pathologists (SLPs), for purposes of establishing speech or language impairments only. For this source, “qualified” means that the SLP must be licensed by the State professional licensing agency, or be fully certified by the State education agency in the State in which he or she practices, or hold a Certificate of Clinical Competence from the American Speech-Language-Hearing Association.

Section 5 –Services Provided by Consultants

In carrying out the responsibilities of a consulting specialist, the Consultant will provide services including, but not limited to:

- Determination of the severity of impairments by reviewing and evaluating medical evidence obtained in conjunction with applications for disability benefits under provisions of the Social Security Act. This includes written evaluations and completion of specified forms as required by Social Security regulations.
- Review of case records and provide written evaluation of the adequacy of documentation and make recommendations for further development.
- Review of and signed execution of completed determinations.

- Review and analyzation of returned cases from the Social Security Administration (SSA) and preparation of rebuttals on medical issues.
- Maintenance of an accuracy rate of 95% or higher.
- Attendance at, preparation or presentation of, without compensation, up to two (2) hours per month of required training in program and administrative policy. May also participate in other activities (excluding case ratings or determination signing) as requested by MDRS Administration including but not limited to preparation/presentation of training, discussion of program and/or administrative issues, etc.

- Each page of the application form and all attachments must be identified with the name of the vendor.
- MDRS reserves the right to decide, on a case-by-case basis, whether to reject an application with modifications or additions as nonresponsive.
- **Any vendor claiming that his or her application contains information exempt from the Mississippi Public Records Act (*Miss. Code Ann. §§ 25-61-1 et. seq.*), shall segregate and mark the information as confidential and provide the specific statutory authority for the exemption.**

Section 7 – Basis for Selection

All application packages received in response to this RFQ by the stated deadline will receive a comprehensive, fair, and impartial review. A review committee will consider the applications in the following three-phase process:

Phase 1: During this phase of the review process, all applications received will be reviewed to determine if the following mandatory requirements of this RFQ have been satisfied:

- Application submission deadline met
- Required format followed
- Required number of copies along with the original application provided
- Signed Application Cover Sheet provided
- Responsiveness to the questions contained on the Application Cover Sheet
- Resume or Curriculum Vitae provided
- Signed Application Form provided
- Acceptance of all Standard Terms and Conditions
- Signed Acknowledgement of RFQ Amendments (if amendments have been posted) provided

Failure to comply with any of the above may result in elimination from further consideration. Vendors that are determined to have complied will continue to the next phase, while vendors that do not comply will be notified of their non-responsive status.

Phase 2: During this phase of the review process, all remaining applications will be reviewed to determine responsibility; *i.e.*, whether the minimum vendor requirements of this RFQ have been met. Vendors that are determined by the review committee to have shown the minimum qualifications outlined in Section 4 will be found to be responsible. These vendors will continue to the next phase, while vendors

that are not determined to be responsible will be notified of such determination.

Phase 3: During this phase of the review process, all remaining vendors will be evaluated through either an interview or a performance evaluation. Performance evaluations shall only be allowed when an applicant has previously performed medical or psychological consulting services of this type for the Office of Disability Determination Services in MDRS.

Each vendor to reach Phase 3 will be scored using the Evaluation Score Sheet (**Attachment C**). The vendors will be placed on the Qualified Consultant List ranked in order of their scores. MDRS may contract with these vendors to provide consulting services for MDRS; **however, selection for the list does not guarantee that a contract will be entered into with that vendor. Contracts will be awarded based upon the need and demand for the consultant services to be provided.**

Section 8 – MDRS Contact and Questions/Requests for Clarification

- All questions and requests for clarification must be directed by email to:

Rebecca Henley, Staff Attorney
Mississippi Department of Rehabilitation Services
Email: rehenley@mdrs.ms.gov

- Questions and requests for clarification must be submitted via email by the deadline reflected in Section 3.
- All questions and answers will be published on the MDRS website (<http://www.mdrs.ms.gov>) in a manner that all vendors will be able to view by the date and time reflected in Section 3.
- MDRS will not be bound by any verbal or written information that is not contained within this RFQ unless formally noticed and issued by the contact person.
- Should an amendment to the RFQ be issued, it will be posted on the MDRS website (<http://www.mdrs.ms.gov>) in a manner that all vendors will be able to view. Furthermore, vendors must acknowledge receipt of any amendment to the solicitation by signing and returning the amendment with the application package, by identifying the amendment number and date in the space provided for this purpose on the application form, or by letter. The acknowledgment must be received by the MDRS by the time and at the place specified for receipt of applications. It is the vendor's sole responsibility to monitor the website for amendments to the RFQ.

Section 9 – Duration

The anticipated term of any contract with a vendor selected for the Qualified Consultant List is tentatively November 18, 2015 until June 30, 2016, with one (1) optional one-year renewal. Renewals will be determined annually and will be contingent upon successful completion of services under the preceding year's contract, a performance-based evaluation, and MDRS's need for continuation of the services.

Section 10 – Removal from Qualified Consultant List

Vendors added to the Qualified Consultant List may be removed from the list for cause by MDRS.

Section 11 – Vendor Certification

The vendor agrees that submission of a signed application form is certification that the vendor will accept a contract award made to it as a result of the submission.

Section 12 – Debarment

By submitting an application, the vendor certifies that it is not currently debarred from contracting with any political subdivision or agency of the State of Mississippi and that it is not an agent of a person or entity that is currently so debarred.

Section 13 – Registration with Mississippi Secretary of State

By submitting an application, the vendor certifies that it is registered to do business with the Mississippi Secretary of State or, if not already registered, that it will do so prior to entering into a contract with MDRS.

- **Cost of Preparing Application**

MDRS accepts no responsibility for any expense incurred by any vendor in the preparation and presentation of an application. Such expenses, including any travel costs, shall be borne exclusively by the vendor.

- **Rejection of Application**

An application that includes terms and conditions that do not conform to the terms and conditions in this RFQ, including attachments, is subject to rejection as non-responsive. Further, submission of an application form that is not complete and/or signed is subject to rejection as non-responsive. MDRS reserves the right to permit the vendor to withdraw nonconforming terms and conditions from its application prior to a determination by MDRS of non-responsiveness.

- **Debriefing**

A vendor, successful or unsuccessful, may request a post-award debriefing, in writing, by U.S. mail or electronic submission. The written request must be received by MDRS within three (3) business days of notification of the selection of the qualified consultants list. A post-award debriefing is a meeting and not a hearing; therefore, legal representation is not required. A debriefing typically occurs within five (5) business days of receipt of the request. If a vendor prefers to have legal representation present, the vendor must notify MDRS in writing and identify its attorney by name, address and telephone number. MDRS will schedule and/or suspend and reschedule the meeting at a time when a

representative of the Office of the Mississippi Attorney General can be present. For additional information regarding Post-Award Debriefing, as well as the information that may be provided and excluded, please see Section 7-112 through 7-112.07, Post-Award Vendor Debriefing, of the *Mississippi Personal Service Contract Review Board's Rules and Regulations*.

Any actual or prospective vendor who is aggrieved in connection with this solicitation or the outcome of this RFQ may file a protest with the Executive Director of the Mississippi State Personnel Board. The protest shall be submitted in writing by the following deadlines, whichever deadline runs first:

- within seven working days after such aggrieved person or entity knows or should have known of the facts giving rise thereto;
- within seven working days after the date of a letter from MDRS notifying the vendor that the vendor did not move forward in the selection process; or,
- within seven working days after the date of a letter from MDRS notifying the vendor of the vendors that were selected for the Qualified Consultant List.

All protests must be in writing, dated, signed by the vendor, and contain a statement of the reasons(s) for protest, citing the law(s), rule(s), regulations(s), or procedure(s) on which the protest is based. The written protest letter shall contain an explanation of the specific basis for the protest. The protesting vendor must provide facts and evidence to support the protest. A protest is considered filed when received by MDRS via either U.S. Mail, postage prepaid, or by personal delivery. Protests filed after the deadline for same will not be considered.
